

Spelthorne, Friday
bi-weekly, 10.30-12.30pm,
Starts 25th July

Mindful Movers

This group will start with relaxation, breathing and standing yoga. Each week we will wander through different natural areas, taking in our surroundings, looking for things we don't usually see, stepping out of our everyday lives for a while to reset. We will finish with a drink and chat. This group is for all levels, and we leave the meeting point promptly at 10.30.
